Dear Dr. Schwab:

This refers to certain field tests which have been suggested to be undertaken this Spring.

The need for assessment of techniques and capabilities has dictated the immediacy which we have suggested for this test.

We trust that you will have no difficulty in eliciting such cooperation and assistance from the Services and other branches of the Government as may be necessary to facilitate the conduct of these field tests.

Sincerely

Dr. Schwab plans to send a courier to [] office Friday morning at 0915 hours to pick it up, unless you instruct otherwise.
